

**Manufacturer's Certification Statement
Arcoaire H9MPV and H8MPV Gas Furnaces**

The Arcoaire H9MPV and H8MPV Gas Furnaces are Qualified Energy Property that qualify for the credit for non-business energy property allowed under § 25C of the Internal Revenue Code. These products have an annual electricity use of no more than two (2) percent of the total site energy use of the furnace. This certification is based upon a review of data published in the Gas Appliance Manufacturers Association (GAMA) Consumers' Directory of Certified Efficiency Ratings.

These Gas Furnaces are Manufactured by:
