

Industry-leading warranties include:

- Heil gas and oil furnaces, and R-410A based air conditioners, heat pumps, coils and small package products carry a **ten (10) year limited warranty on parts** including compressor and coils to original homeowner, when installed in an owner-occupied single family residence and properly registered within 90 days after original installation. (See Warranty Certificate for registration instructions. Registration not required in all jurisdictions.) Otherwise the warranty period is **five (5) years** from the date of installation. R-22 based products and mini-splits are covered by a **five (5) year** limited warranty on parts. Heat exchangers carry longer limited warranty coverage that applies to original homeowners with timely registration. Otherwise heat exchanger warranties are 10-20 years from date of installation, depending on model. Check individual listings. Restrictions apply. See Warranty Certificate for details.
- The **No Hassle ReplacementTM** limited warranty provides a new equivalent replacement unit should the compressor, covered coil or heat exchanger fail during the No-Hassle period. Split system units must be matched with a Heil indoor coil or fan coil. Written authorization from your Heil distributor is required prior to replacing any unit. This warranty is a supplement to the standard product limited warranty. Restrictions apply. See www.heil-hvac.com for the most current and complete warranty certificate for further details.
