

AIR CONDITIONERS AND HEAT PUMPS 13/14/15 SEER

KeepRite®

10 Year Parts Limited Warranty

Action required. Please see warranty certificate for details.

10 Year Compressor Limited Warranty

Action required. Please see warranty certificate for details.

Count on value.

This line offers you the most affordable heating and cooling units in the KeepRite® family.

KeepRite engineers and industry professionals worked together to develop air conditioners and heat pumps that would run quietly, save on energy, and last a long time—giving you maximum all-around comfort for your money. The key components, condenser and coils, are factory-tested to assure you of reliability. Higher SEER[†] and HSPF[†]—the industry terms for rating cooling and heating efficiency—means you can cut monthly bills over an old system. Trust the pros who know and choose the KeepRite brand.

[†]SEER stands for Seasonal Energy Efficiency Ratio and HSPF stands for Heating Seasonal Performance Factor.

Enjoy the security.

Every KeepRite unit is backed by exceptional warranties.

You get up to a 10 year[§] parts and compressor limited warranty.* And don't forget to ask your dealer about HELP[®] extended service agreements for additional worry-free protection for parts and labor coverage.

*See published warranty for complete details. To learn more about these limited warranties, go to KeepRite.com.

[§]Subject to conditions. Ten year warranty requires timely registration. See detailed additional information on back page and Warranty Certificate at KeepRite.com for complete details.

KeepRite Air Conditioners

13 and 14 SEER

- Scroll compressor for quiet, efficient operation
- Post-painted coil fins for corrosion resistance
- Environmentally sound R410A refrigerant
- Efficiency rated for lower operating cost
- 10 year[§] parts and compressor limited warranty*

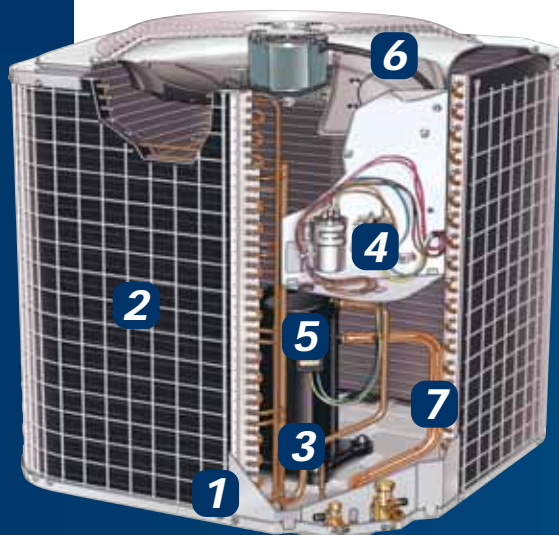

R410A is an EPA-approved, environmentally sound refrigerant.

Action required. Please see warranty certificate for details.

Air Conditioner

SEER vs. Cooling Cost Savings

Percentage based on national averages at 10 SEER; may vary according to efficiency of current unit and installation.

- 1 Durable galvanized steel construction with baked-on finish weathers seasonal extremes.
- 2 Post-painted fin stock and coated wire grille provide better appearance. The grille spacing protects the coil but allows for easy cleaning.
- 3 Scroll compressor operates with proven efficiency and reliability.
- 4 Control panels allow for easy, quick service access.
- 5 Compressor is housed in an extra-thick shell for added protection and durability.

AIR CONDITIONERS AND HEAT PUMPS

KeepRite Heat Pumps

13 and 15 SEER

- Scroll compressor for quiet, efficient operation
- Solid state control with time-temperature defrost
- Environmentally sound R410A refrigerant
- Efficiency rated for lower operating cost
- 10 year^s parts and compressor limited warranty*

Add-ons improve efficiency and indoor air quality.

Match your KeepRite air conditioner with a KeepRite furnace. Your dealer can design a complete system that fits your home's requirements and your weather zone from the variety of sizes, capacities, and efficiencies available.

When you have a new unit or system installed, it's worthwhile to consider Indoor Air Quality products that can cut down pollutants and enhance your comfort. Ask your dealer about air filters, humidifiers, and set-back thermostats.

Air Conditioner

Heat Pump

- 6 Top-discharge design improves airflow and minimizes noise.
- 7 Durable copper tubing, aluminum fin coil and fins that are post-painted for protection help maintain efficiency.
- 8 Integrated solid state controls make the change from heating to cooling go smoothly. (*Heat pump only*)

ENHANCED AIR MANAGEMENT					

* Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR® criteria. Ask your contractor for details or visit www.energystar.gov.

* For information regarding furnace or fan coil options that can increase the energy efficiency of selected KeepRite air conditioners (SEER) and heat pumps (SEER and HSPF), go to KeepRite.com and look for "Energy Savings" on the menu.

* This KeepRite product carries a ten (10) year limited warranty on parts, including compressor and coils, to original homeowner if installed in an owner-occupied, single-family residence and properly registered within ninety (90) days after original installation. Otherwise, the parts warranty period is five (5) years from the date of installation. Heat exchangers may carry longer limited warranty coverage that applies to original homeowners with timely registration. (See Warranty Certificate for registration instructions. Registration not required in all jurisdictions.)
