

# EFFICIENT RELIABLE COOLING

# PAJ3 PACKAGED AIR CONDITIONER

13 SEER

This packaged air conditioner gives you 13 SEER<sup>†</sup> cooling performance in one compact unit that installs outdoors. The durable, prepainted steel cabinet is designed with a rust-resistant base and a protective covering for the copper tubing and copper/aluminum coils that make the unit tough enough to withstand season-to-season weather fluctuations. You get the high quality and energy savings you expect from Heil<sup>®</sup> Heating & Cooling Products, plus solid warranties that let you enjoy peace of mind along with total comfort.

## Durability & Flexibility

- Protected copper/aluminum coils and quality copper tubing
- Prepainted steel cabinet with rust-resistant base
- Compressor provides reliable operation (type varies with capacity and model)
- R410A refrigerant
- Sizes from 2 to 5 tons
- Compact 32" x 51" size fits most ground applications
- Easy to install with standardized ducts
- Easy access for servicing
- 10 year parts and compressor limited warranty\*

Ask your dealer about HELP<sup>®</sup> extended service agreements for additional worry-free protection.

<sup>†</sup>SEER stands for Seasonal Energy Efficiency Ratio.

\*See published warranty for complete details. To learn more about these limited warranties, go to Heil-HVAC.com.
