

AIR CONDITIONERS
AND HEAT Pumps

13, 14, 15 &
UP TO 16 SEER

KeepRite[®]

10 Year Parts
Limited
Warranty

Timely registration required.
See warranty certificate for details.

Count on value.

This line offers you the most affordable heating and cooling units in the KeepRite® family.

KeepRite engineers and industry professionals worked together to develop air conditioners and heat pumps that would run quietly, save on energy costs, and last a long time—giving you maximum all-around comfort for your money.

The key components, condenser and coils, are factory-tested to assure you of reliability.

KeepRite air conditioners and heat pumps deliver SEER[‡] and HSPF[‡] ratings that make a difference in lowering energy bills, compared to an older 10 SEER unit. Trust the pros who know and choose the KeepRite brand.

[‡]SEER stands for Seasonal Energy Efficiency Ratio and HSPF stands for Heating Seasonal Performance Factor.

Enjoy the security.

KeepRite units are backed by exceptional warranties.

You get a 10 year parts limited warranty upon timely registration.*

*Limited warranty period is 5 years for parts if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will receive the registered limited warranty periods. Please see warranty certificate for further details and restrictions.

Air Conditioners

13 & Up To 16 SEER*

- Scroll compressor for quiet, efficient operation
- Post-painted coil fins for corrosion resistance
- Environmentally sound R410A refrigerant
- 10 year parts limited warranty upon timely registration*

*16 SEER rating when paired with select indoor equipment.

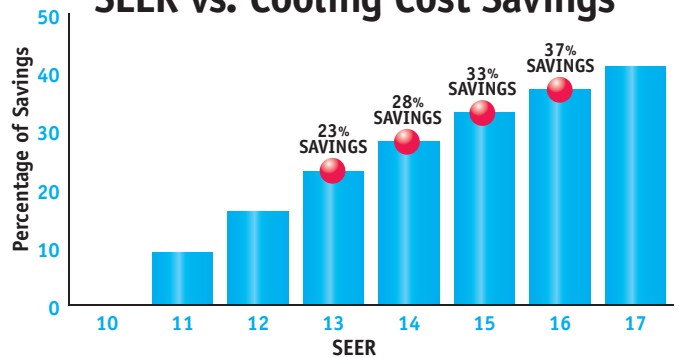

R410A is an EPA-approved, environmentally sound refrigerant.

Timely registration required. See warranty certificate for details.

SEER vs. Cooling Cost Savings

Percentage based on national averages at 10 SEER; may vary according to efficiency of current unit and installation.

Air Conditioner

1. Durable galvanized steel construction with baked-on paint finish weathers seasonal extremes.
2. Post-painted fin stock and coated wire grille guard against corrosion. The grille spacing protects the coil but allows for easy cleaning.
3. Scroll compressor operates with proven efficiency and reliability.
4. Control panel allows for easier, quicker service access.

AIR CONDITIONERS AND HEAT PUMPS

Heat Pumps

13, 14 & 15 SEER

- Scroll compressor for quiet, efficient operation
- Solid state control with time-temperature defrost
- Environmentally sound R410A refrigerant
- 10 year parts limited warranty upon timely registration*

Add-ons improve efficiency and indoor air quality.

Match your KeepRite air conditioner with a KeepRite furnace. Your dealer can design a complete system that fits your home's requirements and your weather zone from the variety of sizes, capacities, and efficiencies available.

When you have a new unit or system installed, it's worthwhile to consider Indoor Air Quality products that can cut down pollutants and enhance your comfort. Ask your dealer about air filters, humidifiers, and set-back thermostats.

Air Conditioner

Heat Pump

5. Compressor is housed in an extra-thick shell for added protection and durability.
6. Top-discharge design improves airflow and minimizes noise.
7. Durable copper tubing, aluminum fin coil, and fins that are post-painted for protection help maintain efficiency.
8. Integrated solid state controls make the change from heating to cooling go smoothly. *(Heat pump only)*

* Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR® criteria. Ask your contractor for details or visit www.energystar.gov.

† For information regarding furnace or fan coil options that can increase the energy efficiency of selected 13 and 14 SEER KeepRite air conditioners (SEER) and heat pumps (SEER and HSPF), go to Comortmaker.com and look for "Energy Savings" on the menu.

‡ Timely registration required for 10 year parts limited warranty. Limited warranty period is 5 years for parts if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will receive the registered limited warranty periods. Please see warranty certificate for further details and restrictions.

†† 16 SEER rating when paired with select indoor equipment.
